

New Jersey State Attorney ID Cards

The New Jersey Attorney General's Office in conjunction with the New Jersey Sheriff's Association is offering a **State Attorney ID Card** to any attorney who is licensed to practice law in the State of New Jersey.

These **State Attorney ID Cards** are issued from the county vicinage where the attorney lives or maintains a law office. The card provides identification that the bearer is a licensed attorney in New Jersey, and is accepted in all 21 County Courts Complexes by each County Sheriff's Department, who provide security screening at each of their respective courts buildings.

In Burlington County, applications must be submitted through the Burlington County Bar Association office, located at 45 Grant Street in Mount Holly. A \$25.00 fee applies for the 5-year Attorney ID card. The Bar Association Office will then fax the approved application to the Burlington County Sheriff's Department, Community Services Unit office, located in the Burlington County Office Building at 49 Rancocas Road in Mt. Holly. The attorney may then make an appointment to have their Attorney ID Card made, by calling telephone number 609-265-5785.

Applications are available online at the Burlington County Bar Association website by going to: <http://www.burlicobar.org/>

This card does NOT allow the attorney to bypass security screening. However certain counties *may* have special attorney entrances, if the Sheriff's Department in that vicinage has the ability to provide one. This card may also be required to gain entrance into secured chambers areas.

Please see a map of the Burlington County Courts Complex showing both the Bar Association Office and the Sheriff's Department location for obtaining your Attorney ID Card.
